

Allembly Hunt

Financial Markets Search & Selection

We provide a coherent, tailored solution to your recruitment needs, ensuring the most suitable and qualified candidates are presented, saving you time, effort and money.

Our professional consultants have in-depth knowledge and experience of their markets, providing you with a proactive, value-added service to facilitate the smooth 'on-boarding' process.

In addition, we are ideally placed to produce market research on a general basis, and to highlight and supply feedback on specific sectors and individuals as necessary.

With our head office in London we deliver recruitment services with a global reach through the support of our operations in the Middle East and Scotland.

- Asset Management
- Banking
- Corporate Governance
- Global Markets
- Wealth Management
- Temporary & Contract

“An unrivalled understanding
of the markets and culture”

Middle East

We have over 10 year's experience covering the Middle East market, working across multiple disciplines with both local and multinational organisations.

In 2011 we joined forces with NelsonPark Advisors, one of the leading executive search companies in the Middle East. They are based in Doha, Qatar and cover all GCC countries and beyond.

With deep-rooted contacts throughout the region and an unrivalled understanding of the markets and culture in which it operates, the partnership between Allembly Hunt and NelsonPark Advisors is uniquely positioned to successfully undertake mandated or contingent recruitment tailored specifically to meet your needs.

Scotland

We opened in the heart of Edinburgh to provide an enhanced service to the Scottish businesses of our existing clients. We are in a strong position to capitalise on the opportunities created by the vibrant Scottish financial services sector.

We offer a dedicated, agile and professional recruitment approach addressing the needs of a specialised market by providing a tailored, highly flexible and cost effective solution to your requirements.

“We provide an enhanced service to the Scottish businesses of our existing clients”

A tailored, professional & consultative approach to the recruitment process

With experienced consultants covering the full range of financial markets activity, Allembly Hunt boasts an extensive network of senior-level contacts in all spheres of business.

Our ability to ensure the most thorough coverage of any market through direct personal contacts, specialist sourcing and research ensures that our clients have one of the leading and most committed teams acting on their behalf.

Over many years we have developed a large number of long-standing client relationships by providing a range of services, which include conducting preliminary reviews into specialist skill sectors, mobilising a full search capability, and / or specifically targeting individuals. We form close working relationships with our clients and provide on-going research reports for their comment.
